Virtual Meeting

The IPVC 2020 virtual platform is available to everyone with valid registration for the Conference until October 24, 2020.

Some tips for using the virtual platform:

1. **The best internet browser** to access the Virtual Conference is Google Chrome
2. **Do not be afraid to click and explore the venue!** At the Virtual Conference, clicking on text and display screens will often take you to further information and features
3. **Use the calendar reminder function** to save sessions in your time zone – especially the live ones
4. **Set up your profile picture** in the networking lounge. This will help your colleagues to recognize your profile in the lounge.
5. **Join the Conference sessions' Q&A online chats**:
   - Enter the Networking Lounge and click on "Discussion Groups".
   - Find the session you're looking for (the name as given in the scientific program).
   - You can leave a message any time but check the scientific program as speakers/presenters are encouraged to be available in the online Q&A chats at the end of their session (session times are listed in CEST).
6. **Browse the e-Poster library** during the Conference.
   - Zoom in and out to comfortably read all the details.
   - Our abstract authors are available to answer questions and collaborate with you during the congress dates
   - Send a message to the ePoster author through the private chat
   - **Check out the 'Featured e-Posters'** – these have

been judged as the 10 best ePosters. View them and listen to their authors' audio presentations.

7. **Make the most of the virtual exhibition area.**
    - Our industry partners will have booth representatives waiting to chat
    - There will be content available for download to your virtual bag 0 a quick way to save information of interest and email documents to yourself.

8. **Enter the IPVC 2020 raffle:**
    - A new winner every day, be in for the chance to win a free registration to IPVC 2021 in Toronto, free IPVS membership, or a free IPVC 2021 Netwroking/Workshop ticket.
