

# Visit the Virtual Exhibition

Don't miss a visit to the exciting virtual exhibition. Check out the latest updates from the exhibitors, explore the videos and information available at each booth, ask your questions and chat with real industry representatives.

Exhibition hours are no longer limited; the virtual exhibition is open around the clock for all time zones. If no staff are present during your visit, you are welcome to use the "Contact Us" button at the booth and/or leave a chat for the staff that they may see upon their return.

## EXHIBITORS

Within the virtual event platform, all exhibitors (booth admins) and sponsoring company representatives will be recognized with a letter E (Exhibitor) indicated after their names so you can direct your questions to the relevant subject matter expert.

Please see the list of IPVC 2021 exhibitors [here](#).
